SUPPLEMENTAL DECLARATION OF NICHOLAS P. DEMERY

I, Nicholas P. Demery, hereby declare and state as follows:

1. I am a solicitor employed by plaintiff The Society of Lloyd's ("Lloyd's") since 1983. I submit this Declaration in support of Lloyd's Motion for Summary Judgment, which seeks recognition and enforcement of judgments entered against each defendant by the High Court of Justice, Queen's Bench Division in London, England on various dates.

2. I have read The Society of Lloyd's Responses to the Defendants' Counter-Statements of Undisputed Material Facts in opposition to Lloyd's Motion for Summary Judgment. I hereby affirm that the Lloyd's responses to all defendants' counter-statements are true and accurate to the best of my personal knowledge, information and belief. I note that Defendant Harold Ilg did not file a counter-statement of alleged undisputed facts.
