Re: The Society of Lloyd's v. Robert W. Fuerst, et al.

Dear Mr. Thames:

Pursuant to our telephone conversation on May 9, 2005, enclosed please find our First Request for Production of Documents which was served on August 31, 2004. As you know, I have been attempting to schedule Mr. Fuerst's deposition for some time. Based on your representation that you are available to present Mr. Fuerst for his deposition during the week of June 20, I have also enclosed a Notice of Deposition for Mr. Fuerst on June 21, 2005. Your immediate attention to this matter is appreciated.

Very truly yours,

Blake T. Hannafan
