CASE # 02 CV 0448 J (AJB)

New Evidence re Case No 02CV 0448 J (AJB)
Request for Rehearing

Your Honor,

Dramatic new evidence has emerged in the above case whereby **The Society of Lloyd's has been found guilty of misrepresentation and nondisclosure** in the transaction which resulted in the English judgment against me. Enclosed is a six page brief on the Court of Appeal decision in England. I am presenting for your honor's evaluation the key damning paragraphs of the Court of Appeals decision. I will be submitting the entire decision to your honor this week.

Further, I will be submitting pleadings in a recent Florida case where the defendants who are in a similar position to myself have alleged **criminal wrongdoing** by Lloyd's in Florida. I believe that there were criminal wrong doing by Lloyd's in California, under California law in my case and I wish to be given time to develop this theory. At the moment I do not have a lawyer, and wish your honor to give me sufficient time to retain a lawyer and prepare my pleadings. Thank you for your kind consideration.

Sincerely,

Frank Lin
